From the Desk of the Principal

THE PRINCIPAL'S MESSAGE

As principal of the Person County High School, it is my unique privilege to commend the Yearbook Committee for a job well done in the production of this 1969 Yearbook. The high moments of Pantherland, which have been captured through the publication of this book, will be highly cherished by our students and faculty in the years ahead.

To our present seniors who may well be the last group to graduate from this institution, I am sure this book will have very special significance. Although you may be the last graduating group, you will not be the least. So I say to you, "go as Panthers proudly," with your heads high.

To our underclassmen who may find it necessary to attend other schools, make new friends, and develop new loyalties, you must not let this be an excuse to cease your training. It will rest largely upon you to prove that you have within you the "stuff" it takes to succeed. So I say to you, "Walk, and you will never walk alone."

Our Athletic Department

It is the aim of our athletic department to promote good citizenship and sportsmanship, and to create clean competitive spirit through our athletic programs. In this effort we have been blessed with the cooperation of a good, hard-working coaching staff, a very cooperative principal, a supporting faculty committee on athletics, a fine group of athletes and the Student Athletic Council and Student Council.

We have competed in four major sports--basketball, football, baseball and track. Until about two years ago we participated in basketball for girls. Our junior varsity, now coached by Mr. J. E. Jackson, replaced the girls on our program for basketball. A start in tennis has also been attempted in an effort to further develop our athletic program.

Many, many special thanks go out to many, many people who have been responsible for making our athletic program in Panther Land a success.

Basketball teams at Person County High School have been very good over the years. They have brought several championships to us. The latest one which some still boast of, came to us in 1961. In most years the basketball record has been one to be proud of. The team members have maintained the reputation of "Excellency in character."
